## Collection, processing and use of personal data

We wish to make it clear that we collect, store, process and use the personal data we collect from suppliers, customers, other business partners and interested parties, in particular name, address, telephone number, e-mail address, contact details of contact persons, customer number and order and delivery data for the purpose of initiation, justification and execution of contract and delivery relationships, including delivery, payment and any warranty or product liability,

The personal data collected from you is required for the conclusion and settlement of a contract. You are not obliged to provide this information. However, without this data we cannot conclude a contract with you.

In this respect the processing of your data takes place on the basis of Article 6 paragraph 1 b GDPR.

We also collect, store, process and use this information for the purpose of maintaining customer or business relationships, and for marketing and advertising our own products and services.

In this respect the processing of your data takes place on the basis of Article 6 paragraph 1 f GDPR. Our legitimate interest in the processing of your data results from our efforts to promote and sell our own products and services

Furthermore, we process data which we receive under the legal requirements of credit reporting agencies (for example from SCHUFA) for the purpose of credit checks concerning our suppliers, customers and other business partners. In this respect the processing of your data takes place on the basis of Article 6 paragraph 1 f GDPR. Our legitimate interest in the processing of this data arises from our interest in receiving the contractually owed consideration (for example, compensation) for our services.

Personal data is not transferred to third parties, with the exception of

- Transfers to third parties, which we use to fulfill contractual and supply conditions, for example, to the payment-processing bank / payment service provider as well as to the delivery-handling carrier / shipping company.
- Transfers to third parties that we engage in marketing and advertising our own products and services, for example to marketing service providers as well as to printers.
- Transfers to specialized service providers, who according to our instruction and under our responsibility within the scope of the aforementioned purposes, provide services (contract data processors), such as IT service providers.
- Transfers to third parties to which we are legally obliged, for example, to the tax office or other state authorities.
- Transfers to third parties to fulfill our commercial and tax obligations, for example to our tax advisor.

Transferal of data to a third country outside the European Union, which is also not party to the European Economic Area Agreement, will only take place if the transfer of data is necessary for the performance of a contract between you and us (for example, delivery to a third country outside the EU).

The processing of your data takes place for the duration of the initiation and the settlement of a contract or delivery relationship and for the duration of the continuance of obligations arising from a contract or delivery relationship, for example, any warranty or product liability obligation, as well as for the duration of commercial or fiscal law retention periods.

With regard to the processing of your data for the duration of statutory or statutory tax retention periods, the processing is carried out on the basis of Article 6 paragraph 1 c GDPR.

If we process personal data in order to advertise, you have the right to object at any time to the processing of your personal data for the purpose of advertising. If you object to processing for advertising purposes, your personal data will no longer be processed for these purposes.

## **Right to information**

In accordance with Article 15 GDPR you have the right to know whether we are processing personal data concerning you and, if necessary, the right to information about this personal data as well as a right in particular to the following information about this data:

- a) the processing purposes
- b) the data categories
- c) the recipients or categories of recipients to whom this data has been or will be disclosed
- d) the planned duration of storing this data or, if that is not possible, the criteria for determining that duration

## **Right to rectification, deletion and restriction of processing**

Furthermore, under the conditions of Article 16 of the GDPR, you are entitled to correct your incorrect or incomplete personal data and, under the conditions of Article 17 GDPR, you have the right to cancellation and, under the conditions of Article 18 GDPR, the right to restriction of processing personal data concerning you.

## **Right of appeal**

In accordance with article 21 (1) of the GDPR, you also have the right, at any time, to object to the processing of personal data concerning you on the basis of Article 6 (1) (e) or (f) of the GDPR, for reasons arising from your particular situation; this also applies to profiling based on these provisions.

In addition, In accordance with article 21 (2) GDPR the right to object at any time to the processing of personal data concerning you for the purpose of conducting direct mail advertising; this also applies to profiling insofar as it is associated with such direct mail.

If the processing of personal data concerning you is based on your consent, you have the right to revoke your consent at any time. The legality of the processing on the basis of consent until the revocation is not affected.

## **Right to data portability**

You have the right to have data that we process automatically on the basis of your consent or in fulfillment of a contract, transferred to you or to a third party in a standard, machine-readable format. If you require the direct transfer of data to another responsible person, this will only be done where it is technically feasible.

## **Right of appeal to the competent supervisory authority**
